THE BEST WAY TO SAVE MONEY

Is to assume an obligation on some good parcel of real estate and pay for it gradually. Buy within your means and have the payments made casy so you can meet them promptly without trouble. We can help you start. Below are a few suggestions.

HOUSE, modern in every particular, nearly new. Located on Franklin street. Contains six rooms, besides pantry, hall and numerous closets. All hardwood floors and first floor is all finished in birch. Heated by furnace and has set wash tubs; cellar bottom cemented, etc. It will suit you. Price and terms so reasonable you cannot afford not to own it if you want a nice home.

REVEN HOOM RESIDENCE, built by the owner for a home; located in good neighborhood, not over five to eight minutes' walk from center of city. This is a very well constructed house, all polished floors down stairs; finished in hard wood. Large lot, 100 feet square, affording pienty of room for another house. Price considerably less than it would cost

SOUTH MAIN STREET PROPERTY, consisting of six-room house, built in 1902. Would make a fine bome, or will rent for \$25.00 per month, This is a very good proposition at the price. Owner in poor health and wants to sell at once. It is sure to please you.

If you are thinking of building, you naturally will have to decide on a location. We can give you some suggestions and show you lots in prac-

Just now we have a very pleasantly located lot about 6 minutes' walk from the post office. Residential location. Corner two good streets. One of the finest views in the city. Price low. Must be sold by April 1.

LARGE HOUSE AND BARN, situated on nearly one-half zero of land; located in the southern part of the city. House is painted white, contains nine rooms. Barn is large. This will make a fine home for any one wishing to keep a team or ponitry. As owner lives out of town, we are allowed to offer the property for \$1.000.00 less than it is worth; will retain part of the land, if the purchaser does not care for all.

For an Investment Consider These:

11-ROOM HOUSE, with both rooms and shed, rented at \$23.00 per month, in best renting locality in the city and never vacant. Will sell so it will pay 13 per cent, on price.

PROPERTY paying over \$600.00 per year, rented to good class of tenants. Price to low it will not nearly three times as much as savings banks pay. Main street location.

FARMS, all prices and sizes. Over one hundred to choose from, 15-ACRE PLACE, with good house and barn, for \$1,125.00, located near neighbors and on good road.
